

TOOLS TROLLEY

- ★ Reinforced double wall frame with single piece casting enables high strength and long life.
- ★ High quality ball bearing slides enable smooth drawer opening.
- ★ Rear locking system avoids opening of the drawers when the Tools Trolley is being moved.
- ★ The Castors are smooth, strong & chemical resistant and have a load capacity of upto 550 lbs.
- ★ Superior Powder Coating on the cabinets gives extra rust protection and good looks.
- ★ Tools Trolleys are available in 2 models i.e. ToolsTrolley having 5 drawers & Tools Trolley having 7 drawers.
